DECISION ON PETITION

This decision is issued in response to applicants' "Renewed Petition Under 37 CFR 1.47(a)" filed 17 August 2006. In a decision dated 30 June 2006, applicants' petition under 37 CFR 1.47(a) to accept the application without the signature of joint inventor, Robert Clemmitt, was dismissed.

The petition for status under 37 CFR 1.47(a) is moot since the declaration filed 17 August 2006 with the present renewed petition was executed by the named inventor, the previous non-signing inventor, Robert Clemmitt. The declaration filed 17 August 2006 is acceptable under 37 CFR 1.497.

For the reasons above, the renewed petition under 37 CFR 1.47(a) is **DISMISSED** as **MOOT**.

The application has an international filing date of 07 July 2003 under 35 U.S.C. 363 and a date of **17 August 2006** under 35 U.S.C. 371(c)(1),(c)(2) and (c)(4).

The application is being returned to the International Division for processing as the U.S. National Stage of the above-identified international application.
